**City of Columbiana update –**

The COVID-19 Public Health Emergency has made it necessary for the City of Columbiana to adjust status in several areas.

- Shelby County Arts Center has postponed all shows through April 15, 2020; Arts Gallery exhibits will remain open Monday-Thursday 10am-5pm. Classes and workshop are ongoing as class sizes are small.
- All city entertainment venues have suspended services; will be reevaluated April 16, 2020.
- All trolley services are suspended
- Parks and Recreation, all organized sports events are suspended
- Fire Department will continue operations as usual
- Police Department will continue operations as usual
- City Hall will remain open, but will have limited access for inquiries, payments and general information.
- All court dates are postponed until April 28, 2020. Payments may still be made at City Hall
- Library will have limited access through the side door, but no computer use availability
- Senior Center has cancelled all trips and the building is closed. Senior Center will continue to provide nutrition services through home delivery
- Streets and Maintenance garbage pickup schedule will remain the same

Sorry for the inconvenience that decreasing these services will bring upon us, however the welfare and safety of our citizens is of the utmost importance.

We're all in this together,

Dr. Stancil Handley  
Mayor
