

DATE WITH A BOOK

HOW IT WORKS

Single? In a relationship? It's complicated? During the month of February you can go on a "Mystery date". All display books are wrapped in Brown paper. Simply select one no peeking!

Take your "date" home and get aquatinted. Will it be funny, mysterious, romantic or entertaining? There will be no lulls in conversation, awkward questions, or a need to dress up. You may be disappointed but then again you may have a great time!

Inside each book is a "Rate Your Date" slip. Let us know if you enjoyed yourself or if it was a dud.

There will be no hard feelings or awkward breakups. Each slip you turn it will earn you a chance to win a dinner two. All slips will be entered for a drawing at the end of the month.
